

Privacy Policy

Effective Date: [Insert Date] **Last Updated:** [Insert Date]

Reapers ("Reapers," "we," "us," or "our") operates the website reapers.pk and the Reapers mobile application (collectively, the "Service"), a community and networking platform for gamers and game developers. This Privacy Policy explains what information we collect, how we use it, and the choices you have.

By using the Service, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect

1.1 Information You Provide

Account information: username, first name, last name, email address, phone number, and password.

Profile information: profile picture, bio, role(s) (Gamer, Developer, Expert), skill tags, favorite games/genres, portfolio links, website, and LinkedIn profile.

Content you post: chatroom and direct messages, event listings, game demo videos and thumbnails, demo reviews and ratings, team/skill-matchmaking requests, and any other content you upload or submit.

Expert application data: credentials, portfolio, specialty tags, and availability, if you apply to become a verified Expert.

Booking information: session bookings with Experts, including scheduling details.

Communications: information you provide when you contact us for support or feedback.

1.2 Information Collected Automatically

Device and usage data: device type, operating system, app version, IP address, and general usage patterns (pages/screens visited, features used, session duration).

Log data: crash reports and error logs, used to maintain and improve the Service.

1.3 Information from Third Parties

If you sign up or log in using Google or Apple, we receive basic profile information (name, email) from that provider as authorized by you.

2. How We Use Your Information

We use the information we collect to:

Create and manage your account and profile.

Provide core features: chatrooms, direct messaging, event discovery and posting, demo uploads and reviews, expert booking and video sessions, and team/skill matchmaking.

Facilitate connections between users (e.g., team requests, expert bookings).

Send service-related notifications (e.g., event reminders, booking confirmations, new messages, review notifications) via push notification and/or email.

Maintain the safety and integrity of the Service, including content moderation and enforcement of our Terms & Conditions.

Analyze usage to improve features and performance.

Respond to support requests and communicate with you about the Service.

Comply with legal obligations.

We do not sell your personal information to third parties.

3. How We Share Your Information

With other users: Your profile information, posted content (demos, events, chatroom messages), and reviews are visible to other users as intended by the relevant feature — this is a community platform, and much of what you post is designed to be seen by others.

Service providers: We share information with trusted third-party providers who help us operate the Service, including cloud hosting and database services, video-calling infrastructure for Expert sessions, push notification services, and analytics/crash-reporting tools. These providers are only permitted to use your information to provide services to us.

Legal requirements: We may disclose information if required by law, regulation, legal process, or governmental request, or to protect the rights, property, or safety of Reapers, our users, or the public.

Business transfers: If Reapers is involved in a merger, acquisition, or sale of assets, your information may be transferred as part of that transaction.

4. Data Retention

We retain your information for as long as your account is active or as needed to provide the Service. If you delete your account, we will delete or anonymize your personal information within a reasonable period, except where retention is required for legal, security, or fraud-prevention purposes.

5. Your Rights and Choices

Access and update: You can view and edit most of your profile information directly within the app.

Delete your account: You may request account deletion at any time by contacting us at the details below.

Notification preferences: You can manage push notification categories in the app's Settings.

Content removal: You may delete demos, event posts, or messages you have posted, subject to platform moderation records retained for safety purposes.

6. Data Security

We use reasonable administrative, technical, and physical safeguards to protect your information, including encryption of data in transit and at rest where applicable. However, no method of transmission or storage is 100% secure, and we cannot guarantee absolute security.

7. Children's Privacy

Reapers is not directed at children under the age of 13 (or the minimum age required in your jurisdiction), and we do not knowingly collect personal information from children under that age. If we become aware that we have collected such information, we will take steps to delete it.

8. International Users

Reapers is based in Pakistan. If you access the Service from outside Pakistan, your information may be processed and stored in Pakistan or other countries where our service providers operate, which may have different data protection laws than your home country.

9. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify users of material changes by posting the updated policy on this page and updating the "Last Updated" date above. Continued use of the Service after changes take effect constitutes acceptance of the revised policy.
