Ownership: You retain ownership of the content you post (demos, messages, event listings, profile content, etc.).

License to us: By posting content on Reapers, you grant us a non-exclusive, worldwide, royalty-free license to host, store, display, reproduce, and distribute that content solely for the purpose of operating and promoting the Service (e.g., displaying your demo in the app's feed).

Your responsibility: You are solely responsible for the content you post and must have the necessary rights to share it (e.g., rights to game assets, music, or footage shown in your demo).

Removal: We may remove any content that violates these Terms or applicable law, without prior notice.

6. Events

Events (online or physical) posted on Reapers are created by users, not by Reapers itself, unless explicitly stated otherwise.

Expert sessions are short guidance/feedback calls between a booking user and a verified Expert, facilitated through

the Service.

Reapers verifies Experts based on submitted credentials but does not guarantee the accuracy of an Expert's claimed experience or the outcome/quality of any session.

Sessions are for informational and mentorship purposes only and do not constitute a professional, contractual, or employment relationship between Reapers and either party, or between the two users, unless separately agreed between them.

Cancellation and rescheduling are subject to the policies displayed at the time of booking.

8. Team Matchmaking

Team/skill-matchmaking requests and applications are facilitated by Reapers as a discovery tool only. Reapers is not a party to any agreement, collaboration, or project formed between users as a result of these features, and is not responsible for the outcome of such collaborations, including disputes over intellectual property, compensation, or credit.

To the maximum extent permitted by law, Reapers and its founders, employees, and affiliates shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of data, revenue, or goodwill, arising from your use of or inability to use the Service, or from any content, event, expert session, or collaboration facilitated through the Service.

12. Termination

We may suspend or terminate your access to the Service at any time, with or without cause or notice, including for violation of these Terms. You may stop using the Service and delete your account at any time.
